The Ultimate Lifestyle, One with the Nature

SANSAARAA brings together all the best things in life, naturally. The landmark structure is anchored to mother earth by a private forest. Start your day with the chirping of birds, the rustle of leaves and a cool breeze. Enjoy a leisurely stroll with your family and friends in your own woods. An experience that is rare and priceless, within the premises.

At SANSAARAA, get much more than a home, get life in it's full glory. A creation by M/S DHRUV LAND DEVELOPER (KANUNGO GROUP), it promises excellent quality along with a layout designed to offer contemporary urban lifestyles, in holistic settings.

The most salient feature is the Miyawaki Forest.

Beautifully Landscaped Garden

The driveway couples with a pedestrian bridge which not only creates an elevated walkway, but acts as a gateway to the landscaped spaces on ground level. Complimenting this are multi-activity areas such as the kid's plunge pool, children's play area, yoga space, senior citizens corner and an cricket net. Live life to the fullest.
